FOREWORD

It is indeed my great pleasure to present to you this Second Issue of ALSA Pulse which is an initiative commenced by my predecessor, Nadia Geraldine Suryana, the Secretary-General of ALSA International Board 2017/2018. We are delighted to have the opportunity to continue this legacy of effort in strengthening the network with our alumni throughout all National Chapters.

Not only do we aim to keep our dearest ALSA Alumni, you, updated with our current ALSA activities, ranging from our past events to upcoming events, but also to promote the highlighted programs that you may be interested in joining or giving support.

On behalf of ALSA International Board 2018/2019, I strongly hope that ALSA Pulse serves you another piece of news pertaining to ALSA and that you find it informative and make you feel connected with us.

Last but not least, no matter then, now or later, you are always part of our ALSA community because #ALSANeverEnds.

ALSA ALUMNI REACH OUT PROGRAM

This program is intended to maintain the network with ALSA alumni throughout 16 National Chapters by collecting their contact information in each term.

We have secured a connection with over 500 alumni across the Asian region based on our current data. Moreover, we encourage all alumni to join our events and programs in order to reunite with ALSA friends, share experiences and forge a closer connection to provide support for ALSA members.

Our alumni are highly welcome to partake in the ALSA Organizational Training Program, specifically the Alumni Sharing Session as our guest speaker at ALSA Annual Conference and ALSA Annual Forum.
